JOB VACANCY CARETAKER

We are looking for an enthusiastic and flexible person to join our school site team.

Main duties will include the security and safety of the school premises, alarm systems, building maintenance and the maintenance of fixtures and fittings within the school. The role involves liaising with third parties/contractors regarding opening and closing arrangements during school closure.

The hours of work are 6.30 – 9.30am Monday – Friday, you will report directly to the Premises Manager.

Satisfactory enhanced DBS Disclosure required

Further details and application forms are available on the school's website www.churchtown.org.uk Contact the school office for more details 01704 508500

Closing date: Monday 16th July 2018
Interviews: Wednesday 18th July 2018

- AND MUCH MORE...

A GREAT DAY OUT FOR ALL THE FAMILY

BABY & TODDLER GROUP

We had lots of fun in playgroup making shapes and patterns in the shaving foam, some of the children are learning to walk with the aid of walkers. Our end of term party for playgroup is Friday 20th July at 9am in the early years hall.

PARKING

A reminder to all parents that the car park in front of Birchall Blackburn Law is for the use of clients and staff using those businesses.

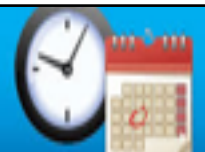

Please park considerately.

SPORTS DAYS

The sun has shone down on the children this week for all of our sports days. They had a wonderful time participating in all the races, and their teachers and all the supporting staff were very proud of their achievements. Thank you to Miss Lucas and the Sports Ambassadors for all their organisation and support throughout the week. We were also especially pleased and grateful to see our ex pupils from Stanley High School who came to help yesterday. A final thank you goes to all the parents, family & friends who came to support all the children and to Spar for sponsoring us with much needed water and bananas!

Newsletter 27 - 2018

**Monday 9th - Friday 13th
July 2018**

**Please send your child in with
an old shirt for the week to use
as a painting shirt!**

As part of our Creative Curriculum, all children in the school will be taking part in a week of Performing and Visual Art with links to our half term's science theme. During the week, all children will have the opportunity to take part in an art workshop on Tuesday 10th July, watch the Y6 production in an open air theatre experience on the playground, watch art students at work, listen to musical performances and watch dance performances from children who have performed in;
The Wally Cain Dance Festival: Meols Cop Dance Festival: Strictly Churchtown Dancers, Born in the USA Concert and Cheerleading Troupe.

We are fortunate to have teachers from local secondary schools coming in to deliver workshops for certain year groups, and the aim is for all children to produce a piece of art by the end of the week.

All art completed will be displayed in the playground on Friday 13th July, on the main playground, in an Art Exhibition, which children will get to view in the afternoon. This will also be left up for parents to view when they come to pick up children at the end of the day as a celebration of art.

Competition Time!

As a lasting commemorative display, we will be creating a mural on a wall in the playground on the theme 'Science & Nature'. This mural will be created from children's designs. A letter will be emailed out separately telling children what to do and when their entries should be handed in by.

**Friday 13th July
10am - 11am**

**By the Bandstand in
the Botanic Gardens**

**Parents are invited to come and watch a
