# AMAZING

Jenson Redmond from class RH got his Level 5 British gymnastics proficiency certificate & badge last week. Now working towards level 4 :-)

Daniel Gregson 2B completed the 5k colour blast to raise money for Galloways.

## FANTASTIC!

Some pictures of George Povey (class 2E) in action, recording the sound track for the dementia awareness animation. The sound engineer said he spoke very fluently and praised his reading skills saying he was a credit to the school. He managed to do it in just 2 takes! Well done George!
