

Sports Funding Spending 2017/18

£18,279

Priorities

- Focus on increasing the variety of sports we introduce to the children via curriculum PE lessons and extra curricular clubs at various times during the school day and after school.
- To increase the number of clubs that are offered at different times of the day to all children; especially in Key Stage 1.
- Embed schemes of work and assessment system introduced last year that the whole school can use.
- Improve the quality of PE by planning staff CPD sessions.

We will track : -

- variety of sports introduced to the children across KS1 and 2
- increase in number of clubs on offer
- levels of participation in clubs (Baseline by Autumn half term)

Future plans for additional Sports Premium Allocation

- Exploring extension of further clubs; wellbeing products; and potential holiday provision
- Plans to be more targeted as the year progresses – ensuring that a wide range of activities are offered for all ages and tastes.
- Pupil data building on the portal this year to allow us to objectively prove the increase in progress in PE, rather than a subjective opinion from teachers each year

Current model at Churchtown

Below is an example of how curriculum PE is delivered at Churchtown for the Autumn term.

Year 1

FIELD AND PE SESSIONS

There will be 2 Premier Sports coaches in working with 2 classes at the same time: one will be doing field, the other PE. This will swap half termly.

For each half term, classes will either have two field sessions or two PE sessions. This will swap half termly. Lesson plans will be provided by Premier Sports - the aim is that your field / PE session will be a continuation of the lesson they had with the coaches, so skills are built upon.

PE and field **class** sessions are all on a **Monday**, so that children know this is their day for class sport.

Coaches also support provision at breaks/lunchtimes by supervising children's play and leading identified groups.

The funding has also enabled staff to develop their skills through effective CPD sessions and training.

Assessments in P.E. and Sport

All children from Y1-6 have been assessed during the previous school year and have data stored on the Premier Sports portal which staff can access. The majority of children are working at a level which is age appropriate with some working above expected levels for their age. There is clear evidence of children making good progress which will be further enhanced once another year of data is available. Our work with our group of Sports Ambassadors supports the children's enjoyment of their P.E. and Sports sessions.

Data

Curriculum

The Sports Premium Grant has facilitated the teaching of P.E. by specialist sports coaches from Year 1 to Year 6. This coaching offers teaching staff opportunities to develop their knowledge of teaching P.E and team teaching sessions take place in the EYS.

- Weekly, high quality specialist P.E. and sport lessons are provided for all children. Lessons are well planned, differentiated and active. Children's abilities are assessed regularly to inform future planning.

- Specialist coaches are also employed to lead a wide range of pre and after school sports clubs for all children.

Extra-Curricular

Our school is committed to developing a wide range of extra-curricular provision. We will monitor over the year in terms of participation and looking more closely at groups e.g. PP, FSM, Boys/Girls

We have **highly qualified sports coaches** to work with our teachers to deliver high quality weekly sports lessons across the curriculum. Premier Sports coaches also deliver a range of extra-curricular clubs every week.

Premier Sports coaches also provide training and support for staff and our P.E. leaders to improve their confidence and competence in teaching P.E. and sports. All P.E. and sports provision will be jointly monitored by Premier Sports and the school's Senior Leadership team to ensure high quality provision.

Attendance at any club has been credited towards our Children's University Scheme.

Lunch-times and play-times are supported by P.E. coaches.

Swimming in Year 6

We currently have 118 children in our Year 6, 90% meet National Curriculum end of Key Stage requirements.

The remaining children attend weekly top up sessions to ensure they meet the standard before they move onto to high school.
