Exciting Times Ahead!!

龍 龍 龍

For the next 6 weeks up to October half term, our year 4 pupils will be given a wonderful opportunity to learn another language. For this term only, instead of their weekly French lessons, Y4 Children will experience a short taster course of Mandarin. This will enrich their speaking and listening skills and further enhance their love of language learning. The lessons will be delivered by a native Mandarin speaking teacher from The Confucius Institute at Edge Hill University. Later this academic year we are hoping to host a visit from staff and pupils from our partner Primary School in ChongQing, China. This will allow our pupils to put into practise some of the words and phrases that they will be learning.
