

Our current theme is "Adventures" and Celebrations"

Our T4W text has been "We're Going On a Bear Hunt". The children enjoyed taking part in activities linked to the story and we even created our own story maps.

In maths we have been learning all about measures. We read the story "Titch" and compared the sizes of different objects in Nursery. We focussed on the mathematical language "large", "medium" and "small." We also continued our work on numbers 1-10 using Numicon.

The children have also enjoy taking part in "Funky Fingers" activities. "Funky Fingers" is a series of fun activities for children to build up their upper body strength (gross motor skills) and finger/hand strength and control (fine motor skills).

Spare Clothing

Please ensure your child has a full set of spare clothes in their bags each day, including socks & underwear. During outdoor play or art activities children may get wet or dirty and might need to get changed.

We are low on spare clothes (particularly trousers and socks). **If your child has borrowed any items in the last few weeks, can you please return them to Nursery.**

Nursery Uniform

Please ensure all uniform is named

- Navy jogging bottoms
- Yellow polo t-shirt
- Navy sweatshirt
- suitable named coat
- **Shoes with a velcro fastening** to enable children to be independent when changing into their pumps or wellies.

P.E. & Outdoor Play in Kipper's Garden.

Please ensure your child has:

- A pair of named wellingtons
- A named waterproof suit

Magic Moments!

Thank you for all the 'Magic Moments' that have been sent in so far. The children have really enjoyed sharing them with their friends. There are more stars available if you run out, these can be located by our noticeboard in the cloakroom.

Please keep them coming next half term!

Medical Needs & Allergies

Please inform the nursery staff if your child has any medical needs or allergies as soon as possible.

Chinese New Year!

In nursery we have really loved celebrating Chinese New Year. We learnt all about how Chinese New Year is celebrated and ate some delicious food. We also tried to move like a dragon. We worked really well as a team and did some fantastic dancing!

What Have We Been Up To!

This term we enjoyed looking at the artwork of Wassily Kandinsky. We got very messy mixing colours and making our own versions of his painting *Farbstudie Quadrate*. It was lots of fun!

Library Books and Home-School Packs

Library books and home-school packs will be collected in before the end of term. Please return any outstanding packs and books as soon as possible.

We will begin sending out home-school packs and library books in the new term. Thank you for your continued support the library books and packs are a very important home-school link.

Thank you for continued support.

Nursery Homework

As part of our work on Growth Mindset we have been discussing the things that we are proud using the phrase "I can..." We would love to hear all about children's achievements at home. We will then share our successes as part of our circle time activities. Please bring in a photograph, objects or complete a magic moment star to share.
