Imagine... Believe... Achieve

New Website Newsletter

WE HAVE A NEW WEBSITE

We have been developing the website over the past year and it is finally up and running. Take a look , we still have the same web address www.churchtown.org.uk

After consulting with all stakeholders we have endeavoured to streamline the website and bring it more up to date. As a parent or carer you should be able find every thing you need in in the pages we have developed.

School News

School News App

Alongside our website we now also have an App , which will update you when news and events are added to website.

Search for the School News App in the App Store, it is free to download, just follow the instructions to get to Churchtown's site.

Have a great spring break and we will see you on Tuesday 19th April.
