## Churchtown's Strictly Dancers Visit Sutton Grange

On Wednesday, 14 children from our ballroom dancing club 'Strictly Churchtown' visited Sutton Grange care home in Banks to perform dances such as the 'Cha Cha' and the 'Waltz' for the residents.

We all had a fantastic time and look forward to our next visit.

## Do you work in a role that involves Science or Technology?

We are keen to make more links with local businesses or individuals who could share their knowledge and experience with the pupils at Churchtown.

We don't just mean people who work in lab coats and protective glasses. Many occupations need elements of scientific knowledge; hairdressers and welders need to understand chemistry, architects and builders follow the laws of physics, fire-fighters and chefs understand thermodynamics!

We hope to provide the children with more understanding of how Science is used in the wider world, and inspire them to study Science and recognise its purpose and value.

We also need a sponsor for a new Science project that we hope to launch in September 2016. If you can help in any way, please contact Mrs Samra or Mr Cocks via the school office. Thanks!

The next PTA event is  
Thursday 5th May  
Tickets £3 at the school office

# CHURCHTOWN'S BABY AND TODDLER GROUP

Churchtown's baby and toddler group is on every **Friday morning 9am till 10.40am** in the early years hall. It is open to parents, grandparents, aunts uncles etc caring for children under reception age. We have singing, messy play, and imagination play going on.

Last week in baby and toddler group the children had fun exploring paint with their hands. They

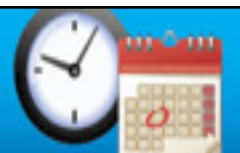

made hand prints, shapes and patterns, and mixed the colours.
