Writing Competition

We had 24 entries into the competition - some of which were group entries - and the amount of effort that had clearly gone into each and every entry was outstanding. It was clear to see that the children had taken time to consider their stories before putting them on paper. The illustrations were also excellent and well suited to each story. Each story also managed to cover at least one Social, Moral, Spiritual and Cultural issue or one of our school values with some of them doing both. It was very hard to choose a winner because each story was so different and showed different skills that that person had. Every single entry felt like it could support someone in some way which was what I was hoping for - it was lovely reading each and everyone because they all made me feel so positive!

1st place - Amy Parker - 6JM

Amy wrote a lovely story about friendship and sharing. She also managed to make it rhyme !

2nd place - Jessica Walshe - IPC

Jessica's story was all about a girl who didn't like reading but she used courage and determination and encouragement from Ziggy to learn how to read (and get some glasses!)

3rd place - Amelia and Sophia Draper (6C & 3S)

Their story dealt with bullying and the idea that it is OK to be different.

4th place - Oakley Edger-Thorne - 2MT

Oakley's story covered the skill of determination and the feeling of being proud. It also brought up the topic of bullying and dealing with bullies.

Congratulations!

Cesca Towson achieved a certificate in gymnastics for doing a forward roll.

Henry (Rosenthal-Tyms) and Harrison (Sarbutts) were both extremely made up on Sunday as they both received player of the week at Phoenix Sunday Football Training for excellent listening and footwork skills.
