Park safely  
Park legally

**Park considerably**

Consider walking part of the way to school or share the school run with other parents .....

... meaning fewer cars at the school entrance

... making it safer for you and your children.

## PARKING OUTSIDE SCHOOL

The roads outside school are extremely busy at dropping off and picking up times and it is especially important that we keep our children safe coming to and from school.

**Adults dropping children off should pull into the drop off zone in front of the school for their child to get out and walk into school. In this area no-one should be leaving their car to take their child into school!**

**Alternatively, parents can park away from the main school road and walk in with their child, or use the car park at the rear of Botanic Gardens, entering the school via the Botanic Gardens Gate.**

We are asking that parents adhere to the following traffic regulations that are in place to keep our children safe:

Vehicles should not be parked in the drop off zone.

The single yellow line opposite the front of the school is a no parking zone from 8am to 6pm, unless vehicle owners display an in date disabled badge.

NO VEHICLES should stop on the zig zag lines by the dining hall, denoted by a 'KEEP CLEAR' sign.

The cul-de-sac at the side of the school on Sunny Road is for permit holders ONLY - at all times

**Traffic Wardens parole the drop off area regularly to enforce these regulations and should not be treated inappropriately for carrying out their duties.**

**Although disabled badge holders are able to park on double yellow lines with a disabled badge displayed, they should not restrict passing traffic or go up onto the pavement. A number of vehicles have been parking with part of their vehicle on the pavement, just past the zig zag lines, where the traffic moves to single file. This is against traffic regulations.**

The advice given by Sefton's Senior Travel Awareness and Safety Officer is that vehicles seen to be unlawfully parked can be reported to Merseyside Police as follows

Members of the public including schools can visit the Merseyside Police website, click on "REPORT" and "Road Traffic Incident" then follow the instructions. It may take 10 minutes to complete and you can upload photos of the vehicles. This information will reach a contact in Merseyside Police and they will send a letter to the vehicle owner.

We would like to thank all the parents who use the drop off zone appropriately and for working with the school to keep our children safe.
