Thank you to all the parents who have been busy getting their Children's University passports up to date and stamped. The passports have been collected in and credits have been forwarded to Sefton. Mrs West and Miss Vernon are very impressed with all the extra-curricular activities that children are enjoying out of school. In Year 2 and Year 6, children who have passports

and have over 50 credits, are invited to Edge Hill University to graduate in the Summer Term.

The children all had a special assembly from Laura Hale this week, the Children's University Co-ordinator for Sefton. She talked to the children about the benefits of joining in with the scheme, from helping them to develop a broad range of new skills and experiences, to helping the children to feel empowered about making positive choices about their future. If you are not yet involved with Children's University, it's not too late. All you have to do is buy a Children's University passport at the office for £3, then take it along to any after school clubs like swimming, gymnastics or even Martin Mere to get your child's extra-curricular activities stamped. More information is available on their website.
