Admissions to Reception

We would like to remind all parents of children born between 1 September 2012 – 31 August 2013 of the importance of registering their child for admission to Reception in September 2017. Your child will not automatically be allocated a school place and if there is a sibling connection you must state that on your application. Attendance in our Nursery does not guarantee a school place and you must complete the Sefton application form. You can apply online via the Sefton website, at www.sefton.gov.uk/admissions or if you do not have access to the internet, you can contact the Sefton Admissions Team on 0151 934 3590 and they will forward you an information booklet and paper application form. The compulsory national closing date is the 15 January 2017. After 15 January 2017, your application will be treated as late.
