IMPORTANT - False information on Facebook regarding a child in the park!

This morning at around 10.30am, we received a phone call from a member of the public, who had found a boy in nursery uniform in the Botanic gardens. We went to meet the child at the park gate.

The child had NOT escaped from our Nursery - he was due to start in Nursery at 12.30pm and had been separated from his grandad at 10.30am in the park and found by two people, who phoned the school.

We kept the child safe in Nursery, parents were phoned and came to school. Staff members looked in the park for an hour, until grandad was found safe at home. We are delighted that everyone is safe and well.

Unfortunately, social media has managed to escalate false information, causing obvious panic and concern amongst parents. As always, we ask that you contact the school office if you have any concerns about any matters.
