Be Amazed by Science!!

Conduct an 'eggsperiment'
 Include your equipment, method, prediction & results.

Full details can be found on the website or download the FREE CU App - search CU ePassport

We love to receive pictures of students out and about with their CU Passport to Learning. Send us a picture of you with your CU Passport at a Learning Destination and win one of our Pin Badges! Just tweet, Facebook or email your pictures!

A great opportunity for students to gain additional credits towards their CU award over the Easter holidays!

How it works:

- Complete activities of your choice by 21st April 2017, to gain credits towards your Children's University award. (One credit per activity unless otherwise stated)
- Sefton Children's University will award the credits to each student – these will be added to our database.
- Proof can be either in the form of a picture or video, and uploaded to Sefton Children's University Facebook / Twitter. In order to gain the credits please send a Private Message through Facebook or Twitter clearly stating the activities, the student's name, Year Group and the school they attend.
- If you do not wish to engage through social media, please send all evidence to rachelp@seftonebp.co.uk. (Alternatively please post to CU, c/o Sefton EBP. Sefton House, Bootle. L30 4XR)

**Send us messages through Facebook and Twitter if you
have questions!**
