*Coaches also support provision at breaks/lunchtimes by supervising children's play and leading identified groups.  
The funding has also enabled staff to develop their skills through effective training.*

### **Assessments in P.E. and Sport**

All children from Y1-6 have been assessed during the previous school year and have assessment data which staff can access. The majority of children are working at a level which is age appropriate with some working above expected levels for their age. There is clear evidence of children making good progress which will be further enhanced once another year of data is available.

### **Data**

#### **Curriculum**

The Sports Premium Grant has facilitated the teaching of P.E. by specialist sports coaches from Year 1 to Year 6. This coaching offers teaching staff opportunities to develop their knowledge of teaching P.E and team teaching sessions take place in the EYS.

- Weekly, high quality specialist P.E. and sport lessons are provided for all children. Lessons are well planned, differentiated and active. Children's abilities are assessed regularly to inform future planning.
- Specialist coaches are also employed to lead a wide range of after school sports clubs for all children.

## Extra-Curricular

Our school is committed to developing a wide range of extra-curricular provision. We will monitor over the year in terms of participation and looking more closely at groups e.g. PP, FSM, Boys/Girls

We have **qualified sports coaches** to work with our teachers to deliver high quality weekly sports lessons across the curriculum. WLSP coaches also deliver a range of extra-curricular clubs every week.

WLSP coaches also provide training and support for staff and our P.E. leaders to improve their confidence and competence in teaching P.E. and sports.

All P.E. and sports provision will be jointly monitored by WLSP and the school's Senior Leadership team to ensure high quality provision.

Attendance at any club has been credited towards our Children's University Scheme.

Lunch-times and play-times are supported by P.E. coaches.
