

National Careers Week

This week, the whole school celebrated National Careers Week!

The week began with the children being presented with a poster showing teachers and teaching assistants from across the school with a list of quotations relating to previous jobs held before working at Churchtown Primary School. All week, the children have been using their reasoning and investigation skills to try and find out who did what! The answers were revealed at the end of the week and there were some surprising revelations!

Year 5 were also treated to their own Careers Fair over the week. They were visited by Rebecca Lim (midwife), Maria Parry (radiographer), Mark Waller

(football doctor), Howard Morris (commercial director) and our very own Mr Bateman! The children learned about their different careers and were enthralled by all the unique stories! The Year 5 children have gone home this week remembering to have a 'growth mindset' and push themselves to get to where they want to be.

Thank you to all our visitors - you gave the Year 5 children plenty to think about! Year 6 are now looking forward to their Careers Fair later in the year.

'Our Day Out' at Merchant Taylors'

Following on from their year group production, a handful of Year 5 children were selected to watch a fantastic production at Merchant Taylors' School.

Twelve children and two teachers arrived promptly in Crosby to watch the special performance of Willy Russell's 'Our Day Out' - and they did not leave disappointed! The actors and actresses put on an exceptional performance, making it difficult for our children to believe that they were in a secondary school and not the West End!

As always, the Churchtown pupils were a credit to the school and displayed excellent manners all morning. Well done Year 5!

Year 6 at Tarleton High School

On Wednesday 9th March, a group of 27 Y6 children attended a workshop at Tarleton Academy to look at writing. It was a wonderful opportunity for children to explore their writing skills with the Assistant

Head Teacher, Mr Bernard, and to look at what the expectations are for High School. They wrote some wonderfully creative pieces using descriptive writing and were a real credit to our school.

Plea from residents on Balmoral Drive

The residents of Balmoral Drive are asking the parents/grandparents of our pupils for some consideration and asking them to please abide by the legal speed limit of **20mph**, before someone's child, or family member is seriously injured. They just want to prevent this with your help.

Local councillors and police are involved, but they also want to appeal directly to any parents/grandparents at the school that use the road.

Thank you for your time and help in this matter from the Residents of Balmoral Drive

Churchtown Primary School's Muddy Spuds Easter Farmers Market

There's something for everyone!

Friday 18th March 2.15pm

- Craft Stalls
- Local stalls
- Fresh food
- BBQ, Cakes
