Charity Week Newsletter 2017

Do Something Funny For Money 2017 "Fun and Happiness Charity Week" We raised a fantastic £764.00

Last week was all about social responsibility and fundraising for 3 fantastic charities, The Manchester Emergency Fund, Comic Relief and The Community Link Foundation and once again creating fantastic memories that children, staff and parents will take with them.

We would like to say a huge thank you to everyone who made this happen, without all the hard work, commitment and support it would not have been as successful and half as much fun! Particular thanks to **Miss Lucas and Mr King** for their brilliant dedication to the cause.

Finally congratulations to this year's winners of the "Battle of the Champions" - **The Sports Ambassadors**

Day 1 - Human Table Football Winners - Sports Ambassadors

Day 1 and classes watched on the playground as SMT, Teachers, TAs and Year 6 Sports Ambassadors battled it out in a human version of table football!

Many goals were scored and the rules were (mostly!) followed carefully.

Day 2 - Dodgeball

Winners - Sports Ambassadors

Day 2 of our charity week and today's team challenge was a nice, friendly game of dodgeball!

Each team was fired up and ready to display their aiming and throwing skills in front of a packed hall of children this morning. Once again, the competitiveness from particular players was unmissable (mainly from SMT!) as children and staff battled for 1st place.

Day 3 - Obstacle Relay Race Winners - Teachers

Our third event was an intense relay obstacle race, The competitors needed to complete various tasks such as running ladders, balancing along a beam, spinning around a target and balancing with a bean bag on their head! To finish this off, each competitor also had a puzzle piece that they had to stick onto a board.

Day 4- Hungry Hippos

Winners - Teaching Assistants

After becoming one of the main highlights of last year's charity week, Day 4 marked the return of our human version of Hungry Hippos!
