Churchtown Champions

Imagine... Believe... Achieve

On Monday morning Miss Lucas and Mrs Hipwell took Y2 and Y4 to the Hugh Macauley football tournament in Formby. Y2 played 4 matches in total. It came down to a penalty

shoot out between Churchtown, St Luke's and Scarisbrick Hall and the girls ended up with Bronze. All of the girls played brilliantly but a special mention goes out to Lois Read, 2AD who scored all of the goals in the 4 matches played!

The children in Year 2 and 6 have been working very hard to collect credits from after school clubs and learning destinations across Sefton in their Learning Passports.

Year 2 children had to collect 30 credits or more, that's 30 hours of learning outside of school!

Year 6 children had to collect 100 credits or more, that's 100 hours of learning outside of school!

We had two very confident and clear speeches all about Children's University from our students Chloe Harrison (Year 2) and Louis Stephenson (Year 6). It was so brave to speak in front of so many people, well done!

We had a great day with fun had by all. Year 6 children get to wear a cap and gown and Year 2 children get a FREE Children's University T-shirt. Lots of goodies will be given out to our graduates after the ceremony.

DYLAN FAIR was our outstanding achiever gaining over 700 credits, that is a huge achievement and we are very proud of him as a school, he has been gaining lots of skills over his time at Churchtown and this will prepare him for the next stage in his education at high school. Learning passports are available from the school office if you would like your child to

The Y4 team were determined to defend their title for the 3rd time. They showed excellent team work and sportsmanship throughout the tournament and were thrilled to bring the trophy back home with them. Well done girls!

The girls in Year 4 also played today at LFC academy and have got through to the final. Good luck in the final girls.
