We will be selling donated school uniform on the main playground every Friday between 8.40 and 9.00 am starting from the 23rd February

Please can parents be aware that lunch accounts **should not have an overdrawn balance**. Lunch money should always be paid in advance at a cost of £10.00 per week & can be paid for a whole month/half term if preferred.

We currently have a very high amount of lunch money that is overdue & therefore must advise that **if lunch money is outstanding for more than one week, parents will be asked to provide a packed lunch for their child**.

As well as paying via Parentpay, we have a cash loader machine at the main school entrance where cash payments can be made and will automatically be credited to the Parentpay account, the office will provide you with a pin number for your child.

As you know we work with Premier Sports who provide clubs both before and after school.

The link to their website to book clubs is on our school website under - **about us** - scroll down to find the link on the left hand side - **Premier Sports before and after school clubs** or type in the link below

<https://www.premier-education.com/sport>

If you need help in booking clubs pop into the office or ring on 01704 508500

Roblox

Roblox is a popular children's App that children as young as Y1 and 2 are playing on the games. It has come to our attention that children who play the game can be sent 'inappropriate' private messages while also being able to chat to other users via their headphones.

We ask that parents check their child's Roblox account and look to see if they have friends that they do not know.

We would also urge parents to have a conversation with their children so they know how to stay safe online.

The NSPCC and O2's Net Aware site offers a no nonsense guide on social networks, apps and games to help adults keep up-to-date with the digital world and keep children safe.
