

What is GDPR?

The GDPR will apply in all EU member states from 25 May 2018. This will affect how schools manage personal data and how this is protected and shared.

The EU's [General Data Protection Regulation \(GDPR\)](#) is the result of four years of work by the EU to bring data protection legislation into line with new, previously unforeseen ways that data is now used.

GDPR introduces tougher fines for non-compliance and breaches, and gives people more say over what organisations can do with their data. It also makes data protection rules more or less identical throughout the EU.

Churchtown Primary School is working with NexusProtect (www.nexus-protect.com) who are assisting us on our journey to GDPR compliance and will be acting as our Data Protection Officer post the 25th May 2018.

In the coming weeks school will be updating Privacy Notices, Policies and Consent Forms to make sure we are compliant with the new GDPR.

We ask parent and carers to ensure that their children's information is up to date and please return updated requests for information as well as consent where applicable.

If you have any questions, please let us know at office@churchtown.org.uk.

Churchtown Cheer Visited by World Champion

Team England Cheerleading team won Gold at the World Cheerleading championships last week in Florida.

Once a year the Cheerleading World Championships take place in Orlando, Florida and over 40 countries take their national teams over to compete. This year Team England Co-ed (which means both male and female cheerleaders) put out an incredible routine and managed to secure first place and gold medals!

This week our cheerleading team were lucky enough to be visited by Dan, one of the members of Team England who shared his top tips and expertise with us! We made lots of progress in the session as well as having a look at Dan's gold medal and having our questions answered about competitive cheerleading and competing at the biggest competition in the world.

We would like to thank Dan for coming in to work with us and wish him luck in future competitions!

HURRY!
