

## WORLD OF WORK DAY

On Tuesday we held a 'World of Work Day' as part of our Enterprise education, to enable the children to learn about the many different jobs and careers available to them. The children and staff embraced the day and came dressed as a variety of jobs. It was wonderful to see such a lot of different jobs represented including bus driver, flight attendant, architect and marine biologist - too many to list! A big thanks for all the obvious effort which had gone into the costumes. Very kindly, parents then came in to speak to different classes across the school. It was wonderful for the children to learn about the range of work parents do. We had: doctors, nurses, police officers, engineers, estate agents, radio broadcasters, protection officers, photographers and many more! We also arranged for visitors from British Aerospace, RSPCA and The Atkinson. Many thanks to them all for giving up their time and visiting many classes. Thanks must also go to Mrs Draper for all her organisation - It was a wonderful day, enjoyed by all.

## Wally Cain Contemporary Dance Festival

The theme for the dance festival this year was historical and cultural events. Our entry was about remembering the tragedy of Auschwitz in Poland. 25 girls and boys from years 5 and 6 performed their dance on Thursday 21st June at Southport Theatre. Their performance was amazing, you could hear a pin drop during Churchtown's performance. The children danced at a professional level and were so passionate. The routine was sharp, full of emotion and every child was beaming with confidence. Well done everyone you should be very proud of yourselves!

A huge Thank you to Miss Barlow, who choreographed the whole dance and coached the girls and boys all the way right to the very last minute. Thanks also to Mrs Shrouder and Mrs Lamb for their support with costumes and rehearsals.

Dear Staff and children,

I was at last night's performance and would like to congratulate you on your brilliant performance. The music was poignant and the dancing, beautiful. The red coat was a stunning visual effect.

Well done to all involved.

**Monday 9th - Friday 13th  
July 2018**

**Please send your child in with  
an old shirt for the week to use  
as a painting shirt!**

As part of our Creative Curriculum, all children in the school will be taking part in a week of Performing and Visual Art with links to our half term's science theme. During the week, all children will have the opportunity to take part in an art workshop on Tuesday 10th July, watch the Y6 production in an open air theatre experience on the playground, watch art students at work, listen to musical performances and watch dance performances from children who have performed in;  
**The Wally Cain Dance Festival: Meols Cop Dance Festival: Strictly Churchtown Dancers, Born in the USA Concert and Cheerleading Troupe.**

We are fortunate to have teachers from local secondary schools coming in to deliver workshops for certain year groups, and the aim is for all children to produce a piece of art by the end of the week.

All art completed will be displayed in the playground on Friday 13th July, on the main playground, in an Art Exhibition, which children will get to view in the afternoon. This will also be left up for parents to view when they come to pick up children at the end of the day as a celebration of art.

## Competition Time!

As a lasting commemorative display, we will be creating a mural on a wall in the playground on the theme 'Science & Nature'. This mural will be created from children's designs. A letter will be emailed out separately telling children what to do and when their entries should be handed in by.
